The South Florida VIPs were formed in 2006. Co-founders, Nicole Flier and Lori Ludwig, spearhead the group and organize social events throughout the South Palm Beach area with proceeds from each event benefiting KIND.

KIND is a non-profit organization, established in 1997 providing access to after-school

programs that have a measurable positive impact on children ages 5 to 12. KIND provides scholarships for after-school care and directs the Spirit of Giving campaigns in collaboration with other local non-profit agencies.
