KIND, established in 1997, is a 501(c)(3) organization whose mission is to provide access to after-school programs that have a measurable positive impact on children ages five through 12. CHAMPS After-school, KIND's flagship program, serving more than 3,000 students throughout Palm Beach County, incorporates a thematic, literacy-based curriculum into school district and community based sites, making after-school a fun time to learn.

KIND also provides scholarships for after-school care and directs the Spirit of Giving campaign in conjunction with the Schmidt Family Foundation. For more information, visit www.kindprogram.org or call Natalie Cwick at 561-962-4185.
